

# Build & Refine Your Core L&D Skills at Core4.

Whether you're new to the field or are an experienced professional looking to stay at the top of your game, this event will help you advance your career through new ideas, perspectives, skill development, and most importantly, professional connections with others in the L&D field.

**Core4 is the premier conference for building and refining the core skills every learning and development professional needs to succeed.**

## Who Should Attend?

- New trainers and L&D professionals
- "Accidental" trainers
- Instructional designers
- Facilitators
- Training managers
- Experienced individuals looking to professionalize their skills
- Professionals who help design and deliver learning experiences in their organization
